Request for Qualifications (RFQ) for Black Transgender Initiatives Grant Funding Opportunity

Notice of Intent to Establish A Prequalified List of Organizations

Thank you to everyone who submitted responses to the RFQ for “**Black Transgender Initiatives**,” issued **December 14, 2021** by the San Francisco Human Rights Commission. We were impressed with the depth and breadth of qualifications we received and have appreciated your patience in awaiting the outcome of our process. The following organizations have been selected for pre-qualification:

LYRIC

PRC

TGIJP

TAJA’s Coalition

Transgender District

If you believe the City has incorrectly selected other respondents for the pre-qualification consultant list, you may submit a written notice of protest. The notice of protest must be received by the Human Rights Commission via email to tuquan.harrison@sfgov.org by 5:00 p.m. on **Friday, January 29, 2021** and must include a written statement specifying the grounds asserted for the protest. The protest must be signed by an individual authorized to represent the respondent, and must cite the law, rule, local ordinance, procedure or RFQ provision on which the protest is based. In addition, the protestor must specify facts and evidence sufficient for the City to determine the validity of the protest. For more information, see section 6 of the RFQ. Any questions related to the outcome of this RFQ may be addressed to Tuquan Harrison, LGBTQI Initiatives, at tuquan.harrison@sfgov.org.
