REQUEST FOR QUALIFICATIONS ("RFQ") FOR
**Community Innovations: Small Grants for Public Housing,
Working with Youth, Advancing Social Justice, and/or
Restorative Justice**

CONTACT: Noah Frigault, noah.frigault@sfgov.org

Background

Communities of color in San Francisco, especially Black communities, have been taking care of themselves for generations. They have experienced the problems resulting from institutional and structural racism firsthand and know what they need to best address the many issues resulting from that racism. Often, a small funding gap is all that separates these community innovators from moving forward. Specific issue areas in San Francisco are especially ripe for innovation and will see greater community benefit from HRC's financial and logistical support.

The purpose of this funding opportunity is to empower nonprofits to give small grants to individuals and organizations so they can create community innovations that solve specific problems in public housing, working with youth, advancing social justice, and/or restorative justice.

Successful applicants will ground their responses in racial equity, community connections, and actionable projects that deliver positive results for target populations quickly.

Intent of this Request for Qualification (RFQ)

It is the intent of the Human Rights Commission to create a prequalified list of organizations from which it may choose prospective grantees on an as-needed basis for up to two (2) years from the date the list is established. Organizations prequalified under this RFQ are not guaranteed a contract.

Anticipated Contract Term

The anticipated contract term for contracts resulting from this RFQ may last up to one (1) year, with the option to extend the contract for up to two (2) additional years. Actual contract term may vary, depending upon service and project needs at the City's sole, absolute discretion. Applicants selected for resulting contract(s) must be available to commence work on or before June 1, 2021. Thus, the anticipated contract term for this RFQ is June 1, 2021 to January 31, 2024.

Anticipated Contract Budget

The anticipated not-to-exceed contract budget is from \$25,000 up to \$750,000 per 12-month period for each contract resulting from this RFQ. Actual contract budget may vary, depending upon service and project needs at the City's sole and absolute discretion.

No Subcontracting Requirement

The Local Business Enterprise ("LBE") subconsulting goal for this RFQ and resulting contract(s) does not apply. However, the City strongly encourages responses from qualified LBEs.

1.2 Statement of Need and Intent

What Does the City Seek?

The City seeks to empower nonprofits to give small grants to individuals and organizations so they can create community innovations that solve specific problems in public housing, working with youth, advancing social justice, and/or restorative justice.

With Whom Will Grantees Work?

Grantees will work with the City through the San Francisco Human Rights Commission.

What is the City’s Intent with this RFQ?

To give individuals and organizations who are not nonprofits to continue or expand their service to the Black Community. The HRC will create a list of qualified individuals or organizations that it can choose from to contract with.

Based on responses to this RFQ, it is the intent of the City to create a prequalified list of organizations from which the City may select prospective Grantees on an as-needed basis for services indicated below in Section 2, Scope of Work. The City may use the prequalified list, at its sole and absolute discretion, for selection of organizations and negotiations of contracts for

one (1) year, and up to two (2) years, following establishment of the prequalification notification date. Contracts issued to prequalified organizations will have terms of varying lengths depending on the City's needs, but in no case longer than three (3) years. The City reserves the right to procure services similar or identical to the services specified in this RFQ by any other means. Multiple contracts may be awarded at the City's sole and absolute discretion in accordance to San Francisco Administrative Code, Section 21.8. No prequalified Respondent is guaranteed a contract.

1.3 Background of the City and County of San Francisco: For Information Only

What is the City?

San Francisco is the fourth largest city in California and serves as a center for business, commerce and culture for the West Coast. The City and County of San Francisco, known as the "City", was established by Charter in 1850. It is a legal subdivision of the State of California with the governmental powers of both a city and a county under California law. The City's powers are exercised through a Board of Supervisors serving as the legislative authority, and a Mayor and other independent elected officials serving as the executive authority. The services provided by the City include public protection, public transportation, construction and maintenance of all public facilities, water, parks, public health systems, social services, planning, tax collection, and many others.

What are the Roles and Responsibilities of the City Controller's Office?

To manage the City's money. The City Controller is the chief accounting officer and auditor for the City and responsible for all financial management systems, procedures, internal control processes and reports that disclose the fiscal condition of the City to managers, policy makers and citizens. The City Controller is also the auditor for the City performing financial and performance audits of departments, agencies, concessions and contracts.

What is the San Francisco Human Rights Commission?

The San Francisco Human Rights Commission ("Department" or "HRC") provides leadership and advocacy in securing, protecting and promoting human rights for all people. For nearly 50 years, HRC has grown in response to San Francisco's mandate to address the causes of and problems resulting from prejudice, intolerance, bigotry and discrimination. HRC has the good faith and commitment of San Francisco's leaders to be an independent voice of human rights protection for all people and, again and again, leads the way on groundbreaking initiatives in the realm of human and civil rights. To that end, HRC:

- **Advocates** for human and civil rights;
 - **Investigates and mediates** discrimination complaints;
 - **Resolves community disputes** involving individual or systemic illegal discrimination;
- and

- **Provides technical assistance**, information and referrals to individuals, community groups, businesses and government agencies related to human rights and social services.

HRC performs its Charter mandated obligations and duties pursuant to the following City ordinances and laws:

1.4 Companies Headquartered in Certain States

Any resulting Contract of this RFQ is subject to the requirements of Administrative Code Chapter 12X, which prohibits the City from entering into contracts with organizations headquartered in states with laws that perpetuate discrimination against LGBT populations or where any or all of the work on the contract will be performed in any of those states. Respondents are hereby advised that Respondents which have their United States headquarters in a state on the Covered State List, as that term is defined in Administrative Code Section 12X.3, or where any or all of the work on the contract will be performed in a state on the Covered State List, may not enter into contracts with the City. A list of states on the Covered State List is available at the website of the City Administrator at <http://sfgov.org/oca/qualify-do-business>.

2. Scope of Work

This scope of work is a general guide to the work the City expects to be performed and is not a complete listing of all services that may be required or desired. General deliverables and timelines are requested. The City is soliciting qualifications to create a prequalified list of organizations that may be selected for the services described below.

To minimize duplication of effort and to allow the City to coordinate data requests and data available for the multiple projects solicited within this RFQ, as well as for previous and future projects, the selected organizations' findings and data may be shared by the City with other City Contractors, as deemed appropriate by the City.

Is My Organization Expected to Propose for a Specific Project?

No. The Human Rights Commission will create a list of prequalified organizations. Each Respondent should demonstrate its capabilities by providing concise, but comprehensive responses in **RFQ Attachment V, Response Template**. **Show HRC what your qualifications are to complete the scope of work.**

If needed, the City will negotiate the specifics of your scope of work to include services, budget, deliverables, and timeline as part of contract negotiations. For example, for the contracts resulting from this RFQ, the organization(s) may work on a project basis, with an engagement agreement for each project/task specifying the maximum number of hours, due date, and hourly rate to be charged. There is no guarantee of a minimum amount of work or compensation for any Respondent(s) selected for contract negotiations. The City may select organizations from the prequalified list in its sole and absolute discretion.

After the prequalified list has been established, the City may issue Request(s) for Proposals or Request(s) for Quotes to the prequalified list to better assess qualifications for a specific scope of service, which may include staffing, scheduling, deliverable, and cost considerations.

Does the City Prefer Organizations to Form A Coalition or Large Group to Cover More Services, or to Focus on An Area of Expertise, and Respond Individually?

The City prefers individual organization responses, focused on Service Areas that the organization and its lead staff can demonstrate the appropriate qualifications for. For any proposed Respondent partnerships, at least 50% of proposed work effort on the City's projects must come from the lead Respondent organization.

Possible Contract Deliverables include, but are not limited to:

- Future deliverables negotiated in a contract and/or scope of work;
- Monthly invoicing for expenses incurred in the performance of the contract; and
- Quarterly performance reports detailing progress towards deliverables for the duration of the contract period.

HRC is seeking qualified non-profit organizations to give small grants to individuals and other non-profit organizations so they can create community innovations that solve specific problems in public housing, working with youth, advancing social justice, and/or restorative justice.

Successful applicants will ground their responses in racial equity, community connections, and actionable projects that deliver positive results for target populations quickly.

The following are Service Areas in which Respondents may choose to apply for funding and work within.

2.1 Service Area 1: Public Housing

Respondents demonstrate success in connecting and collaborating with residents of public housing in San Francisco, especially developments in historically Black neighborhoods such as Bayview-Hunters Point, Potrero Hill, and the Western Addition. Respondents may also demonstrate knowledge of the history of public housing, gentrification, and displacement in San Francisco; navigating public housing regulations and policies; and/or successful interactions with the San Francisco Housing Authority.

2.2 Service Area 2: Working with Youth

Respondents demonstrate ongoing, successful relationship building with youth aged 0-18 or transition aged youth aged 18-24, especially Black youth in San Francisco. Respondents may also have successful existing programs for youth, though this is not required.

2.3 Service Area 3: Advancing Social Justice

Respondents demonstrate commitment to racial equity principles and develop projects that advance social justice, with a special focus on remedying institutional and structural racism against Black people in San Francisco.

2.4 Service Area 4: Restorative Justice

Respondents demonstrate a restorative justice practice and have successfully held victim–perpetrator mediation, family group conferencing, or similar meetings. Respondents may also demonstrate meaningful connections to the Black justice-involved community in San Francisco.

Please note that even if you choose to work in multiple Service Areas, the maximum funding opportunity per applicant is \$750,000, regardless of whether the applicant is working in more than one Service Area.

3. City-Respondent Communications

There will not be a Pre-Response Conference for this RFQ. If Respondents have questions about this RFQ, Respondents are specifically directed not to contact any employees or officials

of the City other than those specifically designated in this RFQ and its Attachments. Unauthorized contact may be cause for rejection of responses at the City's sole and absolute discretion.

3.1 Deadline for RFQ "E-Questions" (Questions Submitted Electronically)

Please submit questions regarding this RFQ to Noah Frigault, Operations Director, via email at noah.frigault@sfgov.org. No oral questions will be accepted. 3.2 Summary of Information Requested and Presented

A summary of all questions, answers, and addenda pertaining to this RFQ will be posted on the Human Rights Commission's website at <https://sf-hrc.org/grant-opportunities> on or about **April 26, 2021**. It is the Respondents' responsibility to check this website for any updates.

3.3 City Communication Following Receipt of Responses

The City may contact Respondents for clarification or correction of minor errors or deficiencies in their Responses prior to deeming a Response as non-responsive. Clarifications are "limited exchanges" between the City and a Respondent for the purpose of clarifying certain aspects of the Responses, and do not give a Respondent the opportunity to revise or modify its Response. Minor errors or deficiencies are defined as those that do not materially impact the City's evaluation of the Proposal; for example, failing to label the "original" Response as an "original". For information regarding the City's Evaluation Process, see RFQ Section 5 - Evaluation Criteria.

4. Response Submission Requirements

4.1 Time and Place for Submission of Responses

Responses and all related materials must be received by **Friday, May 7, 2021 at 5:00 p.m. PST**. Responses must be submitted electronically via email to Noah Frigault, Operations Director, at noah.frigault@sfgov.org.

Late submissions, i.e. any submissions received after 5:00 p.m. PST on May 7, 2021 will not be considered.

4.2 Response Package and Format

Below is information on the documents you will need to submit to have a complete response. Responses should provide a straightforward, specific, and concise description of the Respondent’s capabilities to satisfy the requirements of the RFQ. Marketing and sales-type information should be excluded. All parts, pages, figures, and tables should be numbered and clearly labeled.

4.3 Detailed Portion of Your Application

Organizations interested in responding to this RFQ must submit the information required in Section 5, in the order specified in Attachment V: Response Template. Even if using an alternative format for your response, the information in Attachment V must be included in the order specified to be scored appropriately.

Responses received under this RFQ that fail to address each of the requested items in sufficient and complete detail to substantiate that the Respondent can meet the City’s minimum qualifications, will be deemed non-responsive and will not be considered for prequalification. Note that responses stating, “to be provided upon request” or “to be determined” or the like, or that do not otherwise provide the information requested (left blank) are not acceptable and shall be deemed **non-responsive**.

4.4 Redact Confidential or Proprietary Information

All documents under this solicitation process are subject to public disclosure per section 67.24 of the San Francisco Administrative Code, "The San Francisco Sunshine Ordinance of 1999."

4.4.1 Responses to RFQs, contracts, and all other records of communications between the City and Respondents shall be open to inspection immediately after a contract has been awarded. Nothing in this Administrative Code provision requires the disclosure of a private person's or organization's net worth or other proprietary financial data submitted for qualification for a contract or other benefit *until and unless that person or organization is awarded the contract.*

4.4.2 Respondents may redact any confidential or proprietary information, as appropriate, prior to submitting a response to this RFQ.

4.4.3 Respondents should clearly indicate net worth or other proprietary financial data that the City should redact should the RFQ response be publicly disclosed, with the understanding that **this information cannot be redacted or withheld if a contract is awarded to the Respondent.**

5. Evaluation Criteria

This section describes the guidelines used for analyzing and evaluating the responses and for Respondent prequalification. It is intended for reference purposes only; **RFQ responses to the Evaluation Criteria must be completed in Attachment V.** It is the City's intent to prequalify Respondent(s) that provide the best overall qualifications to the City and will provide the best overall service package inclusive of fee considerations. Organizations selected for prequalification are not guaranteed a contract. This RFQ does not in any way limit the City's right to solicit contracts for similar or identical services if, in the City's sole and absolute discretion, it determines the prequalified list is inadequate to satisfy its needs. There are two phases to the evaluation process. City and CMD staff first perform an Initial Screening as described in Section 5.1. Responses that pass the Initial Screening process (5.1) including Minimum Qualifications (5.2) will proceed to the Evaluation of Firms (that met Minimum Qualifications) described in Section 5.3.

City representatives will serve as the Review Panel responsible for evaluating Respondents. Specifically, the team will be responsible for the evaluation and rating of the responses for prequalification, and for interviews, if desired by the City.

5.1 Response Evaluation Criteria for Prequalification (100 points)

Community Oversight Review Panel

City and community representatives will serve as the Review Panel responsible for evaluating Respondents. Specifically, the team will be responsible for the evaluation and rating of the responses for prequalification, for conducting reference checks, and for interviews, if desired by the City.

Each RFQ response that meets the Minimum Qualifications will be evaluated in accordance with the criteria below. There is no numerical limit to the number of organizations that may be prequalified.

The Human Rights Commission is committed to racial equity, diversity, inclusion, and broad-based community access, and to funding a variety of San Francisco's community organizations, non-profit agencies and service providers. All qualified applicants are cordially invited to submit applications. However, any response that does not demonstrate that the Respondent meets these minimum qualifications by the response deadline will be considered non-responsive and will not be evaluated or eligible for award of any subsequent contract(s).

2. Respondent must be a Vendor of the City and County of San Francisco or be willing and able to become a City Vendor. 3. Respondent must meet San Francisco's non-discrimination in contracts laws, Chapters 12B and 12C of the San Francisco Administrative Code. These laws include provisions prohibiting discrimination in employee benefits and public accommodations. For additional information, go to: <http://sfgsa.org/index.aspx?page=6126>

Respondents scoring 70 points and above may be added to the prequalified list and eligible for potential contract negotiations with the City on an as-needed basis in the Service Area described in Section 2.1, above. Due to the varied nature of the services to be performed, the City reserves the right to contract with any or all prequalified Respondents.

Reference Checks

Reference checks, including, but not limited to, prior clients as indicated in Attachment V Prior Project Description(s), may be used to determine the applicability of Respondent experience to the services the City is requesting and the quality of services and staffing provided to prior clients, as well as adherence to schedules/budgets and Respondent’s problem-solving, project management and communication abilities, as well as performance on deliverables and outcomes, and effectiveness in meeting or exceeding project objectives. 5.6 Other Terms and Conditions

The selection of any prequalified Respondent for contract negotiations shall not imply acceptance by the City of all terms of the response, which may be subject to further negotiation and approvals before the City may be legally bound thereby.

If a satisfactory contract cannot be negotiated in a reasonable time with any prequalified Respondent, then the City, in its sole discretion, may terminate negotiations and begin contract negotiations with any other remaining prequalified Respondents.

The City, in its sole discretion, has the right to approve or disapprove any staff person assigned to a firm's projects before and throughout the contract term. 6. Protest Procedures

6.1 Protest of RFQ Terms

Failure of a Respondent to comply with the protest procedures set forth in this section will render a protest inadequate and non-responsive, and will result in rejection of the protest.

Should a prospective Respondent object on any ground to any provision or legal requirement set forth in the RFQ (including all Appendices and all Addenda), including but not limited to Protests based on allegations that: (i) the RFQ is unlawful in whole or in part, (ii) one or more of the requirements of the RFQ is onerous, unfair, or unclear; (iii) the structure of the RFQ does not provide a correct or optimal process for the solicitation of the Services; (iv) the RFQ contains one or more ambiguity, conflict, discrepancy or other error; or (v) the RFQ unnecessarily precludes alternative solutions to the Services or project at issue, the prospective Respondent must provide timely written notice of Protest as set forth below.

By 5:00 p.m. P.S.T on the third (3rd) working day of the issuance of the RFQ, **April 22, 2021**, any Respondent may submit a written notice of Protest via e-mail to Noah Frigault, Operations

Director, noah.frigault@sfgov.org as directed by Section 6.1. Protests or notices of Protests delivered orally (e.g., by telephone) will not be considered.

The Protest shall state the basis for the Protest, refer to the specific requirement or portion of the RFQ at issue, and shall describe the modification to the RFQ sought by the prospective Respondent. The Protest shall also include the name, address, telephone number, and email address of the person representing the prospective Respondent.

If required, the City may extend the response submittal deadline to allow sufficient time to review and investigate the Protest and issue Addenda to incorporate any necessary changes to the RFQ.

6.2 Protest of Non-Responsiveness Determination

By 5:00 p.m. PST on the fifth (5th) working day of the City's issuance of a notice of non-responsiveness, any Respondent that has submitted a response and believes that the City has incorrectly determined that its response is non-responsive, may submit a written notice of protest by e-mail (fax is not acceptable) as directed in Section 6.4. Such notice of protest must be received by the City on or before 5 p.m. PST of the fifth (5th) working day following the City's issuance of the notice of non-responsiveness.

The protest must be signed by an individual authorized to represent the Respondent, and must cite the law, rule, local ordinance, procedure or RFQ provision on which the protest is based. In addition, the protestor must specify facts and evidence sufficient for the City to determine the validity of the protest.

6.4 Delivery of Protests

All protests must be received by the specified dates and time deadlines specified in Section 6.1,

6.2 and 6.3. Protests or notice of protests made orally (e.g., by telephone) or by fax will not be considered.

Protests must be delivered via email to Noah Frigault, Operations Director, at noah.frigault@sfgov.org.

6.5 Protest Review

The Human Rights Commission will confirm receipt of notice of protest by Respondent which must be submitted in accordance to Section 6.1, 6.2, 6.3, and 6.4.

If a Respondent submits a complete and timely protest, the Human Rights Commission will review notice of protest soon after receipt of the protest to determine validity of notice, including, but not limited to: (1) receipt by due date; (2) inclusion of a written statement specifying in detail each and every one of the grounds asserted for the protest; (3) signed by an individual authorized to represent the Respondent; (4) citation of the law, rule, local ordinance, procedure or RFQ provision on which the protest is based; and (5) specification of facts and evidence sufficient for the City to determine the validity of the protest.

A Respondent may not rely on a Protest submitted by another Respondent, but must timely pursue its own Protest.

The City, at its discretion, may make a determination regarding a protest without requesting further documents or information from the Respondent who submitted the protest. Accordingly, the initial protest must include all grounds of protest and all supporting documentation or evidence reasonably available to the prospective Respondent at the time the protest is submitted. If the Respondent later raises new grounds or evidence that were not included in the initial protest, but which could have been raised at that time, then the City may not consider such new grounds or new evidence.

If the notice of protest is determined to be valid, the Human Rights Commission shall review facts and evidence to determine the outcome of the protest, citing any applicable laws, rules, ordinances, procedures, and/or provisions. The review shall be an informal process conducted by the Human Rights Commission or its designee and will be based upon the information submitted by the Respondent in its protest letter. The Human Rights Commission may seek input from the City Attorney's Office, Office of Contract Administration, Contract Monitoring Division, and/or other City departments as needed or appropriate. The Human Rights Commission will notify the Respondent in writing of its decision at the conclusion of the review. The Executive Director of the Human Rights Commission or the Director's designee shall make the final determination regarding the outcome of the protest. The decision of the Human Rights Commission is final.

7. Vendor Compliance

Respondent Team must fulfill the City's administrative requirements for doing business with the City and become a compliant vendor prior to contract award. Fulfillment is defined as completion, submission and approval by applicable City agencies of the forms and requirements referenced in RFQ Attachment III.
