Violence Prevention and Intervention Services for LGBTQI Survivors of Violence**

Notice of Intent to Establish A Prequalified List of Organizations

Thank you to everyone who submitted responses to the RFQ for violence prevention and intervention services for LGBTQI survivors of violence, issued April 12, 2019 by the San Francisco Human Rights Commission. We were impressed with the depth and breadth of qualifications we received and have appreciated your patience in awaiting the outcome of our process.

The following organizations have been selected for pre-qualification:

Lavender Youth Recreation and Information Center (LYRIC)

TAJA's Coalition (Transgender Activists for Justice and Accountability)

Curry Senior Center

If you believe that the City has incorrectly selected other respondents for the pre-qualification consultant list, you may submit a written notice of protest. The notice of protest must be received by the Human Rights Commission via email to noah.frigault@sfgov.org by **5:00 p.m. on Friday, May 31, 2019** and must include a written statement specifying the grounds asserted for the protest. The protest must be signed by an individual authorized to represent the respondent, and must cite the law, rule, local ordinance, procedure or RFQ provision on which the protest is based. In addition, the protestor must specify facts and evidence sufficient for the City to determine the validity of the protest. For more information, see section 6 of the RFQ.

Any questions related to the outcome of this RFQ may be addressed to Noah Frigault, Esq., Senior Policy Analyst, noah.frigault@sfgov.org or (415) 252-2538.
